NOTICE

To Our Many Customers—

Owing to many drastic changes and orders by our Government regarding the rationing of gas, oil and tires for our delivery service, we find it necessary to make a reasonable charge for deliveries beyond thirty (30) miles radius. In order to keep them at a minimum, charges will be made at from 5% to 10% of the amount of the order and same added to invoice. As an example, such cities as Allentown, Bethlehem, Reading, Lancaster, etc., would be 5%; Hazleton, Scranton, Harrisburg, New York City, Northern New Jersey, Eastern Shore, Maryland, Baltimore, Washington, D. C., etc., 10%. Longer distances at proportionate rates.

We, of course, can still ship by express. A charge is made for packing in this instance as per listing.

Any customer desiring to haul his own stock beyond the 30 mile radius will, in turn, be allowed a discount of 5% of his bill.

We will at all times send out only first quality stock. We sincerely hope that our customers will cooperate in every way and favor us with their valued orders.

Above charge will be made only for the duration of the war.

Very respectfully,

ROBERT CRAIG COMPANY,

By Robert A. Craig, President.

HYDRANGEAS

We have the largest and finest stock of Hydrangeas ever offered to the trade at Easter. Our stock of Hydrangeas includes 50,000 of the best European varieties. The plants have all been grown cool and well hardened off, insuring satisfaction to the buyer. These varieties have been tested by us under ordinary conditions as to their adaptability to forcing for Easter and include the following varieties: **Deutschland, Gertrude Glahn, Ami Pasquaar, M. Foch, Europa, Altoona, Kunert and Hamburg** and are priced as follows:

HYDRANGEA—NORWOOD New Introduction

This Hydrangea will be disseminated Spring, 1943. It originated with us and is a sport of Gertrude Glahn. It is an unusually strong grower and its natural color is bright pink, although with treating, it will come a remarkably good blue. This variety is easily distinguished due to the fact that it has an ebony stem. It produces heads of unusual size, fine texture and is the best keeping and lasting Hydrangea we have ever grown. The flower petals do not drop, regardless of how long the plant is in bloom. It is not patented. Order a lot, sell a million.

2 1/4 in. pots, \$25.00 per 100, \$200 per 1000; 250 at 1000 rate. Plants in bloom for Easter, \$18.00, \$24.00, \$30.00, \$36.00 per dozen. Being a new introduction, it is slightly higher in price than other varieties and well worth the difference. Orders filled strictly in rotation for young stock.
